Voting Your Shares

It is important that your shares be voted at the Annual Meeting. Please vote your proxy in advance of the Annual Meeting to ensure your shares will be represented. You can vote your shares:

- By going to the website www.investorvote.com/SFBS and following the instructions for Internet voting on the proxy card or Notice of Internet Availability of Proxy Materials that you received in the mail. You will need the 15-digit control number printed therein. You may also access instructions for telephone voting on the website.
- By using your mobile device to scan the QR barcode on your proxy card or Notice of Internet Availability of Proxy Materials and following the prompts that appear on your mobile device.
- If you received a printed copy of the proxy materials, by completing and mailing your proxy card in the prepaid return envelope, or if you reside in the United States or Canada, by dialing 1-800-652-8683 and following the instructions for telephone voting provided by the recorded message at that number. You will need your 15-digit control number printed on your proxy card.

You may vote in person during the Annual Meeting; however, if a broker, bank or other nominee holds your shares, you will need to request a legal proxy from your broker, bank or nominee and bring it to the Annual Meeting. Even if you plan to attend the Annual Meeting in person, please vote your proxy by Internet, telephone, or mail in advance of the Annual Meeting to ensure that your shares will be represented.

Vote Required to Elect Directors and to Pass Proposals

Proposal	Voting Options	Vote Required to Elect Directors or to Adopt Proposal	Effect of Abstentions	Effect of Broker Non-Votes
Election of Directors (Proposal 1)	For or Withhold for each director nominee	Directors elected by plurality of votes cast*	No effect	No effect
Approval, on Advisory Basis, of the Compensation of Named Executive Officers (Proposal 2)	For, Against or Abstain	Majority of the shares entitled to vote present in person or by proxy and entitled to vote on the subject matter	Same effect as a vote Against	No effect
Ratification of the Appointment of FORVIS, LLP (Proposal 3)	For, Against or Abstain	Majority of the Shares entitled to vote present in person or by proxy and entitled to vote on the subject matter	Same effect as a vote Against	Brokers have discretion to vote

* Our director resignation policy requires that any nominees receiving a greater number of "Withhold" votes than "For" votes must promptly tender his or her resignation to the Chairman of the Board.

Under the General Corporation Law of the State of Delaware, an abstention from voting on any proposal will have the same legal effect as an "against" vote, except election of directors, where an abstention has no effect under plurality voting.

A "broker non-vote" occurs if your shares are not registered in your name (that is, you hold your shares in "street name") and you do not provide the record holder of your shares (usually a bank, broker or other nominee) with voting instructions on any matter as to which a broker may not vote without instructions from you, but the broker nevertheless provides a proxy for your shares. Shares as to which a "broker non-vote" occurs are considered present for purposes of determining whether a quorum exists, but are not considered votes cast or shares entitled to vote with respect to a voting matter.

Additional Information

See “General Information – Questions and Answers About the 2024 Annual Meeting and Voting” for additional information about attending the Annual Meeting and voting your shares.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board has nominated the seven persons named below, all of whom currently serve as directors, for election as directors at the 2024 Annual Meeting. Each of these nominees has consented to serve as a director if re-elected. Unless otherwise instructed, the management proxies intend to vote the proxies received by them for the election of all seven of these nominees. If any nominee identified below becomes unable to serve as a director before the Annual Meeting, the management proxies will vote the proxies received by them for the election of a substitute nominee selected by our Board.

Two out of our seven directors are either female or ethnically diverse. We are committed to our continued efforts to increase diversity and foster an inclusive work environment that supports our employees and the communities we serve. We recruit the best people for the job regardless of gender, race, ethnicity, age, disability, sexual orientation, gender identity, cultural background, or religious belief. We added one female director to our Board in 2023.

Annual Election of Directors

The seven nominees receiving the most votes cast in the election of directors by holders of shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting will be elected to serve as directors of the Company for the next year. As a result, although shares as to which the authority to vote is withheld will be counted, such “withhold” votes will have no effect on the outcome of the election of directors, except with respect to our director resignation policy.

CORPORATE GOVERNANCE

Our business is managed under the direction of our Board of Directors. The Board has the legal responsibility for overseeing the affairs and performance of the Company. The primary responsibility of the Board is to exercise their business judgment in what they believe to be in the best interests of the Company and its stockholders.

Governance Practices

Our Board of Directors believes that sound governance practices and policies provide an important framework to assist them in fulfilling their oversight duty. The Corporate Governance Guidelines of ServisFirst Bancshares, Inc. (the “Governance Guidelines”), include a number of the practices and policies under which our Board has operated for many years, together with concepts suggested by various authorities in corporate governance and the requirements under the New York Stock Exchange (“NYSE”) Listed Company Manual and the Sarbanes-Oxley Act of 2002.

Each year, our Board of Directors reviews our Governance Guidelines and other governance documents and modifies them as it deems appropriate. These documents include the Governance Guidelines, the committee charters, our Code of Business Conduct and Ethics, our Related Party Transactions Policy and other key policies and practices. Copies of the currently effective charters for each Board committee, the Code of Business Conduct and Ethics, the Governance Guidelines and certain other corporate governance policies are available on the investor relations section of the Company’s website at www.servisfirstbancshares.com under the “Governance” tab.

Some of the principal subjects covered by our Governance Guidelines comprise:

- *Director Qualifications*, which include: a Board candidate’s independence, experience, knowledge, skills, expertise, integrity, and ability to make independent analytical inquiries; his or her understanding of our business and the business environment in which we operate; and the candidate’s ability and willingness to devote adequate time and effort to Board responsibilities, taking into account the candidate’s employment and other Board commitments.
- *Responsibilities of Directors*, which include: acting in the best interests of all stockholders; maintaining independence; developing and maintaining a sound understanding of our business and the industry in which we operate; preparing for and attending Board and Board committee meetings; and providing active, objective and constructive participation at those meetings.
- *Director Access to Management and, as Necessary and Appropriate, Independent Advisors*, which covers: encouraging presentations to our Board from the officers responsible for functional areas of our business and from outside consultants who are engaged to conduct periodic reviews of various aspects of our operations or the quality of certain of our assets, such as the Bank’s loan portfolio.
- *Director Orientation and Continuing Education*, such as: programs to familiarize directors with any changes to our business, strategic plans, and significant financial, accounting and risk management issues; our compliance programs and conflicts policies; our Code of Business Conduct and Ethics and our Governance Guidelines. In addition, each director is expected to participate in continuing education programs relating to developments in our business and in corporate governance. For the year ended December 31, 2023, director continuing education programs covered a variety of topics, including the Community Reinvestment Act, various fair lending rules and regulations, compliance, cybersecurity, business continuity and information technology.
- *Regularly Scheduled Executive Sessions, without Management*, are held by our Board, led by our Lead Independent Director, and by the Audit Committee, which meets separately with our independent auditors.

Director Resignation Policy

In October 2016, our Board approved and adopted a Director Resignation Policy. This policy provides that, in an uncontested election, any director nominee who receives a greater number of “Withhold” votes than votes “For” his or her election shall promptly tender his or her resignation to the Chairman of our Board following the certification of the election results. The Company’s Corporate Governance and Nominations Committee (“CG&N Committee”) will consider the offer of resignation and recommend to the Board whether to accept or reject the resignation. Our Board must act on the recommendation within 90 days following certification of the election results following receipt of the recommendation. After the Board makes a formal decision on the CG&N Committee’s recommendation, the Company must publicly disclose the action on a Current Report on Form 8-K (“Current Report”) within four business days of the decision. If the Board determines to take any action other than accepting such resignation, the Current Report must also include the Board’s rationale supporting its decision. A copy of our Director Resignation Policy is available on the investor relations section of our website www.servisfirstbancshares.com under the “Governance” tab.

Incentive Compensation Clawback Policy

Our Board has approved and adopted a Clawback Policy in compliance with Exchange Act Rule 10D-1 and the NYSE continued listing requirements related to recovery of incentive compensation from the Company’s current and former executive officers under certain circumstances. The Clawback Policy provides that, in the event the Company is required to restate financial results due to material noncompliance with any financial reporting requirement under the securities laws, the Board may adjust future compensation, cancel outstanding awards, seek recoupment of previous awards and take any other remedial and recovery action permitted by law, to recoup all or a portion of any incentive compensation approved, awarded or granted to an executive officer of the Company after the date of adoption of the Clawback Policy and such award, vesting or payment occurred or was received during the three completed fiscal years immediately preceding the date on which the Company is required to prepare the restatement. The Clawback Policy applies when the Compensation Committee has determined that the incentive compensation approved, awarded or granted was predicated upon the achievement of certain financial results that were the subject of the restatement and that a lesser amount of incentive compensation would have been approved, awarded or granted to the executive officer based upon the restated financial results. In each such instance, the Company will seek to recoup the amounts by which an executive officer’s incentive compensation that was awarded, vested or paid during the three-year period referenced above exceeded the amounts that would have been awarded, vested or paid based on the restated financial results.

Stock Ownership of Board and Executives

Long-term stock ownership is deeply engrained in our culture and reflects our Board’s strong commitment to the Company’s success. We have reviewed the stock ownership policies of other financial institutions, the criteria identified by certain proxy advisory firms in determining whether a stock ownership policy is “rigorous” or “robust,” and the stock ownership of our directors and executive officers. We ultimately concluded not to adopt a formal stock ownership policy at this stage of the Company’s existence primarily because the current ownership levels of our long-time directors and, with one exception, our named executive officers far exceed the ownership requirements of even the most rigorous policies we reviewed. Using the market price and the number of shares of common stock beneficially owned as of March 27, 2024, each of our non-employee directors held common stock valued over five times such director’s 2023 annual retainer (with the average multiple equal to 547 times the 2023 annual retainer), our Chief Executive Officer held common stock valued at over 77 times his 2023 annual base salary, and each of our other named executive officers, with the exception of Mr. Abbott, held common stock valued at over 50 times their respective 2023 annual base salaries.

Our Board annually reviews our Governance Guidelines and other governance documents and practices and modifies them as it deems appropriate. Although we will reconsider adopting stock ownership guidelines in the future, including in the event of Board or management changes, we intend to operate the Company in a way that we believe makes the most sense taking into account numerous factors.

Policy Against Hedging Activities

The Company is dedicated to growing its business and enhancing stockholder value in an ethical way while being mindful of the need to avoid taking actions that pose undue risk or have the appearance of posing undue risk to the Company. Our goal is to grow stockholder value in both the short term and long term, and we expect our directors, officers and employees to have the same goals as the Company. Consistent with these goals, our Insider Trading Policy prohibits any of our directors, officers and employees from engaging in hedging activities involving the Company's securities, including the following:

- short sales, meaning any transactions in the Company's securities whereby one may benefit from a decline in the stock price of our common stock;
- purchases or sales of derivative securities related to the Company's securities (puts, calls, collars, swaps forward sale contracts and similar arrangements, excluding stock options issued pursuant to employee benefit plans); and
- investments in exchange funds (a stock fund that allows an investor to exchange his or her holdings in Company securities for units in a portfolio of securities), excluding investments in the Company stock fund available under the Company's 401(k) plan.

Policy Against Pledging Activities

Our Insider Trading Policy prohibits our directors, officers and employees from pledging our securities as collateral for loans unless approved by our Insider Trading Compliance Officer. While being mindful of the need to avoid taking actions that pose undue risk or appear to pose undue risk to our Company, we also appreciate that our situation may be unique. We are a public company that has, since the Bank's inception in 2005 and our formation in 2007, experienced a relative amount of success. As a result of this success, a significant portion of the wealth of some of our officers and employees resides in their ownership of our common stock. As detailed above, all of our directors and all but one of our executive officers own enough shares of common stock to far exceed the multiples of base salary or annual cash retainer typically required by stock ownership guidelines. Accordingly, we provide our Insider Trading Compliance Officer with the discretion to permit pledges in certain limited circumstances.

Board Independence

The cornerstone of our corporate governance program is an independent and qualified Board of Directors. The Board has established guidelines consistent with the current listing standards of the NYSE for determining director independence. You can find these guidelines in our Governance Guidelines, which are posted on the investor relations section of the Company's website at www.servisfirstbanshares.com under the "Governance" tab.

During its most recent review, our Board considered transactions and relationships between each director or any member of a director's immediate family and us and the Bank. Our Board also considered whether there were any transactions or relationships between our Company and any entity of which a director or an immediate family member of a director is an executive officer, general partner or significant equity holder. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that a director is independent. Independent directors must be free of any relationship with us or our management that may impair the director's ability to make independent judgments.

Our CG&N Committee has determined in its business judgment that six of the Company's seven current directors are independent as defined in the NYSE listing standards and that each member is free of any relationships that would interfere with his or her individual exercise of independent judgment. Our independent directors are Messrs. Cashio, Filler, Mettler, and Smith, Dr. Holloway, and Ms. Tudor. Mr. Broughton, our Chairman, is considered an inside director because of his employment as our President and Chief Executive Officer (see "*Certain Relationships and Related Transactions*" for a list of other relationships the Board considered when determining independence).

The Role of Our Board of Directors

The members of our Board also are members of the board of Directors of the Bank, which accounts for substantially all of our consolidated operating results. The members of our Board keep informed about our business through discussions with senior management and other officers and managers of the Company and the Bank, by reviewing analyses and reports sent to them by management and outside consultants, and by participating in meetings of the Board and meetings of those Board committees on which they serve.

Board Leadership Structure

We believe that our stockholders are best served by a strong, independent Board of Directors with extensive business experience and strong ties to our markets. We believe that objective oversight of the performance of our management team is critical to effective corporate governance, and we believe our Board provides such objective oversight.

Our Board is led by a combination of Mr. Filler, our Lead Independent Director, and Mr. Broughton, our Chairman, President and CEO, supplemented by engaged, independent committee chairs and directors. Our independent directors unanimously voted for Mr. Broughton to serve as the Chairman of our Board following the retirement of our prior Chairman on December 31, 2018.

The Board believes that the Company has been well served by Mr. Broughton's leadership since the Bank's inception in 2005 and our formation in 2007. The Board further believes that Mr. Broughton's combined role as Chairman and CEO will allow him to set the overall tone and direction for the Company, maintain consistency in the internal and external communication of our strategic and business priorities, and have primary responsibility for managing our operations.

The Board also believes that a strong, effective Lead Independent Director, like Mr. Filler, an independent Board, and independent committees provide the independent leadership necessary to balance the combined Chairman and CEO role and, with the formal and informal mechanisms we have in place to facilitate the work of the Board and its committees, results in the Board effectiveness and efficiency that our stockholders expect. Mr. Filler performs the following functions as our Lead Independent Director:

- Serves as a liaison, and facilitates communication, between our Chairman and the independent directors;
- Organizes, convenes and presides over executive sessions of the independent directors and Board meetings at which the Chairman is not present;
- Serves as an advisor to Board committees, chairs of the Board committees and other directors;
- Calls meetings of the Board, if deemed advisable by the Lead Independent Director; and
- Guides, with the CG&N Committee, the self-assessment of the Board.

Mr. Broughton's leadership has been especially evident during the bank failures in the spring of 2023. While the Company and Bank are known for being able to respond to market conditions quickly on a decentralized basis, our employees look to Mr. Broughton to set the tone for the entire Company. Under his leadership, the Bank was able to grow deposits in a time of intense competition and avoid liquidity challenges faced by others in the industry. Mr. Broughton's emphasis on customer service leveraged existing relationships and earned new banking relationships during the year, as new customers were able to compare their experience with the Bank against the service provided by their current bankers.

We believe our Board's structure provides leadership and operational oversight, notwithstanding Mr. Broughton's role as Chairman. Our Board's three standing committees, which are described below under "*Board Committees and Their Functions*," are composed exclusively of independent directors. In addition to the Board committees at the Company, our Bank has a separate loan committee on which all of our directors serve. We believe that this structure further reinforces the Board's role as an objective overseer of our business, operations, risk sensitivity and day-to-day management.

The Board's Role in Risk Oversight

While our Board is ultimately responsible for the management of risks inherent in our business, in our day-to-day operations senior management is responsible for instituting risk management practices that are consistent with our overall business strategy and risk tolerance. In addition, because our operations are conducted primarily through the Bank, we maintain an asset-liability and investment committee at the Bank level, consisting of four executive officers of the Bank. This committee is charged with monitoring our liquidity and funds positions. The committee regularly reviews the rate sensitivity position on three-month, six-month and one-year time horizons; loans-to-deposits ratios; and average maturities for certain categories of liabilities. This committee reports to our Board of Directors at least quarterly, and otherwise as needed.

In addition, our Audit Committee assists the Board in overseeing and monitoring management's conduct of our financial reporting process, our system of internal accounting and financial controls and our cybersecurity measures, and our Compensation Committee oversees the management of risks relating to executive and non-executive compensation.

Outside of formal meetings, our Board and its committees have regular access to senior executives, including our Chief Executive Officer, Chief Operating Officer and Chief Financial Officer, as well as our senior credit officers. Our Bank board, which consists of all the members of our Board, and loan committee also meet monthly with management to review loans, credit loss issues and other areas of risk for the bank. We believe that this structure allows the Board to maintain effective oversight over our risks and to ensure that our management personnel are following prudent and appropriate risk management practices.

The Board's Role in Human Capital Management

The Board understands the importance of Human Capital Management as part of its corporate responsibility, with an emphasis on the following key areas: (1) hiring, promotion and talent development and (2) compensation and benefits and health and safety. The below entries summarize our current policy positions in each of these key areas:

Hiring, Promotion & Talent Development

We recruit the best people for the job regardless of gender, race, ethnicity, age, disability, sexual orientation, gender identity, cultural background or religious belief. It is our policy to fully comply with all state and federal laws applicable to discrimination in the workplace.

We are always looking to build our workforce from within and promote from our current talent pool whenever possible. We are also committed to the continued development of our employees, whether through banking industry-related training or position-related training.

Compensation and Benefits and Health and Safety

We provide robust compensation and benefits programs to help meet the needs of our employees. In addition to competitive salaries, these programs include a 401(k) Retirement Plan, full medical, dental and vision insurance, life insurance and paid time off. As part of our compensation philosophy, we believe that we must offer and maintain market competitive total rewards programs for our employees in order to attract and retain superior talent. We are committed to the health, safety, and wellness of our employees.

Board Committees and Their Functions

Our Board maintains three standing committees that are each composed entirely of independent directors. The governing charter for each of the three committees is available on our website www.servisfirstbanshares.com under the “Governance” tab.

Our Compensation Committee has retained Aon's Human Capital Solutions practice, a division of Aon plc, or Aon. The cost of such services in 2023 did not exceed \$120,000. The Committee determined that there were no conflicts between Aon and the Company or any member of the Compensation Committee.

Corporate Governance and Nominations Committee

Number of meetings in 2023: 5

- Identifies individuals believed to be qualified to become Board members, and selects or recommends to the Board, the nominees to stand for election as directors;
- Establishes the criteria for selecting candidates for nomination to our Board, actively seeks candidates who meet those criteria and makes recommendations to our Board of Directors to fill vacancies on, or make additions to, our Board or any committee of our Board (see "*Governance Practices*" for a detailed discussion of qualification criteria);

The CG&N Committee considers candidates for director who are recommended by its members, by other Board members, and by management. The CG&N Committee will consider stockholder nominees for election to our Board that are timely recommended by stockholders provided that a complete description of the nominees' qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as a Board member if elected, accompany the recommendations. Nominations must also include evidence of the nominating stockholder's ownership of Company common stock. Stockholder nominations should be directed to the chair of the CG&N Committee, care of our Chief Financial Officer, at the Company's principal executive office, 2500 Woodcrest Place, Birmingham, Alabama 35209. The CG&N Committee will evaluate candidates recommended by stockholders using the same criteria as for other candidates recommended by its members, other members of the Board, or management.

In evaluating nominees for director, the CG&N Committee believes that it is of primary importance to ensure that the Board's composition reflects a diversity of business experience and community leadership, as well as a demonstrated ability to promote the Company's strategic objectives and expand its presence, profile and customer base in its local markets. Additionally, our CG&N Committee charter provides that the CG&N Committee, in selecting or recommending Board candidates, shall consider factors it deems appropriate, which may include diversity. The members of the CG&N Committee and the Board also take into account views on diversity that our stockholders may communicate to us.

Our Board of Directors has determined that each member of the CG&N Committee is independent under the standards of independence of the rules of the NYSE.

Compensation Committee Interlocks and Insider Participation

The primary functions of the Compensation Committee are to evaluate and administer the compensation of our President and Chief Executive Officer and other executive officers and to review and oversee our general compensation programs. No member of the Compensation Committee has served as an officer or employee of the Company, the Bank or any other subsidiary. In addition, none of our executive officers has served as a director or as a member of the compensation committee of a company which employs any of our directors. For further information, see "*Compensation Discussion and Analysis*" and "*Board Committees and Their Functions*."

Director Attendance

Our Board of Directors held nine meetings in 2023. Each director attended at least 75% of the aggregate of: (i) the number of meetings of the Board of Directors held during the period he or she served on the Board; and (ii) the number of meetings of committees of the Board of Directors held during the period he or she served on such committees. While we do not have a formal policy regarding director attendance at our annual meetings, we generally expect our directors to attend if at all possible. All of our directors attended the 2023 Annual Meeting via remote webcast.

Certain Relationships and Related Transactions

We have not entered into any business transactions with related parties required to be disclosed under Rule 404(a) of Regulation S-K other than banking transactions in the ordinary course of our business with our directors and officers, as well as members of their families and corporations, partnerships or other organizations in which they have a controlling interest, and the lease arrangement described below. Management recognizes that related party transactions can present unique risks and potential conflicts of interest (in appearance and in fact). Therefore, we maintain written policies around interactions with related parties that require that these transactions are entered into and maintained on the following terms:

- in the case of banking transactions, each is on substantially the same terms, including price or interest rate, collateral and fees, as those prevailing at the time for comparable transactions with unrelated parties that are not expected to involve more than the normal risk of collectability or present other unfavorable features to the bank; and

- in the case of related party transactions, each is approved by a majority of the directors who do not have an interest in the transaction. Banking transactions that meet the criteria disclosed above are deemed pre-approved by the Board.

Any potential related party transactions are reported to our Chief Financial Officer, who then reports such transactions to our Audit Committee. Our Audit Committee determines whether such transactions constitute related party transactions and, if so, reports those transactions to our Board for consideration if such transactions are not deemed pre-approved under our policy. A copy of our policy governing related party transactions is available on our website www.servisfirstbancshares.com under the “Governance” tab.

The aggregate amount of indebtedness from our directors and executive officers (including their affiliates and inclusive of persons serving as executive officers of the Bank) to the Bank as of December 31, 2023 was approximately \$39.8 million, which equaled 2.8% of our total equity capital as of that date. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. No related party loans were disclosed as past due, nonaccrual or troubled debt restructurings in our consolidated financial statements for the year ended December 31, 2023. We anticipate making related party loans in the future to the same extent as we have in the past.

Code of Conduct for Directors and Employees

Our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors. The Code of Business Conduct and Ethics covers compliance with law; fair and honest dealings with us, with competitors and with others; fair and honest disclosure to the public; and procedures for compliance with the Code of Business Conduct and Ethics. A copy of our Code of Business Conduct and Ethics is, and any amendment to or waiver from a provision of our Code of Business Conduct and Ethics will be, available free of charge on the investors relations section of our website at www.servisfirstbancshares.com under the “Governance” tab.

Communications with the Board

You may contact any of our independent directors, individually or as a group, by writing to them c/o Kirk Pressley, Chief Financial Officer, ServisFirst Bancshares, Inc., 2500 Woodcrest Place, Birmingham, Alabama 35209. Mr. Pressley will review and forward to the appropriate directors copies of all such correspondence that, in the opinion of Mr. Pressley, deals with the functions of the Board of Directors or its committees or that he otherwise determines requires their attention. Concerns relating to accounting, internal controls or auditing matters will be brought promptly to the attention of the Chairwoman of the Audit Committee and will be handled in accordance with procedures established by the Audit Committee.

DIRECTOR COMPENSATION

PROPOSAL 2: ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

As required under Section 14A of the Exchange Act, we provide our stockholders with an annual advisory vote on the compensation of our named executive officers. In 2017 and again in 2023, when considering the say on pay frequency, our stockholders approved an annual advisory vote. At the 2023 Annual Meeting, approximately 98.3% of our votes cast (which excludes broker non-votes) were in approval of the compensation program for our named executive officers.

Our Compensation Committee reviewed the results of the advisory vote from the 2023 Annual Meeting and did not implement any significant changes to our executive compensation as a result of the say-on-pay advisory vote. The Compensation Committee recognizes that effective practices evolve, and the Compensation Committee will continue to consider changes as needed to keep our compensation program for our named executive officers competitive and tightly linked to performance. See "*Compensation Discussion and Analysis*" for a detailed discussion of our compensation practices, philosophy and objectives for our named executive officers.

Consistent with our stockholders' preference and prevailing demand, we expect to hold an advisory vote on the compensation of named executive officers every year. This year, we are asking stockholders to approve the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers as disclosed in the Proxy Statement for the 2024 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby approved.

The advisory vote will not be binding on the Compensation Committee or the Board of Directors. However, they will carefully consider the outcome of the vote and take into consideration any specific concerns raised by investors when determining future compensation arrangements. Following the recommendation of our stockholders at our 2023 Annual Meeting, we will hold a say-on-pay vote at each annual meeting (until the next required vote of our stockholders regarding the frequency of say-on-pay vote that will occur at our 2029 Annual Meeting of Stockholders).

[The Board of Directors Unanimously Recommends a Vote "FOR" the Resolution Approving the Compensation Paid to Our Named Executive Officers.](#)

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis (CD&A)

This CD&A describes our executive compensation objectives and philosophy. It also describes our compensation program and reviews the compensation outcomes for fiscal 2023. We are a bank holding company headquartered in Birmingham, Alabama. Our Bank, founded in 2005, provides commercial banking services through offices located in Alabama, Georgia, Florida, North Carolina, South Carolina, Tennessee and Virginia. We operate our Bank using a simple business model based on organic loan and deposit growth, generated through high quality customer service, delivered by a team of experienced bankers focused on developing and maintaining long-term banking relationships with our target customers. Our strategy focuses on operating a limited and efficient branch network with sizable aggregate balances of total loans and deposits housed in each branch office. We strive to translate this business model and strategy into higher profits for our stockholders. Our compensation program is intended to incentivize our named executive officers to pursue strategies and actions that promote both annual and longer-term value to stockholders, consistent with the intention of our business model.

The 2023 year presented significant challenges for the banking industry. The increase in market interest rates created increased deposit competition while also generally reducing net interest income, net interest spread and net interest margins. Additionally, bank failures in the spring of 2023 caused the Federal Deposit Insurance Corporation to make special assessments on financial institutions, including ours, which impacted earnings per share. We also had several non-recurring items that impacted earnings per share, including an adjustment to a privilege tax accrual and contract termination costs. Accordingly, our results for the year ended December 31, 2023 were not as strong as the prior two years. This is reflected in each of our named executive officers' total compensation for the year ended December 31, 2023, which is generally below each of the prior two years.

Compensation Philosophy and Objectives

In order to recruit, retain and appropriately incentivize the most qualified and competent individuals as executive officers, we strive to maintain a compensation program that not only is competitive in our market but that also provides our Compensation Committee with the flexibility to determine incentive compensation using a commonsense approach. Our Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by us and the Bank, and which aligns executives' interests with those of our stockholders by rewarding performance, with the ultimate objective of improving stockholder value.

To reward both short- and long-term performance in the compensation program and in furtherance of our compensation objectives noted above, our executive officer compensation philosophy includes the following principles:

Compensation should be related to performance. The Compensation Committee believes that a significant portion of an executive officer's compensation should be tied not only to individual performance, but also the Company's performance measured against both financial and non-financial goals and objectives.

Incentive compensation should represent a significant portion of an executive officer's total compensation. The Compensation Committee is committed to providing competitive compensation that reflects our performance and that of the individual officer or employee.

Compensation levels should be competitive. The Compensation Committee reviews available data to ensure that our compensation is competitive with that provided by other comparable companies. The Compensation Committee believes that competitive compensation enhances our ability to attract and retain executive officers. Our Compensation Committee utilizes Aon for assistance in determining annual compensation. Our Compensation Committee reviewed and approved a peer group for compensation purposes and utilized said peer group to inform decisions regarding compensation levels for our named executive officers for 2023.

Incentive compensation should balance short-term and long-term performance. The Compensation Committee seeks to achieve a balance between encouraging strong short-term annual results and ensuring our long-term viability and success. To reinforce the importance of balancing these perspectives, executive officers generally will be provided both short- and long-term incentives. Our Compensation Committee continued to utilize short-term and long-term compensation plans for its executives in 2023. All short-term compensation awards are performance-based, while long-term compensation awards are split between restricted stock awards and performance-based performance shares.

Stockholder Approval of Say on Pay Proposal

At the 2023 Annual Meeting, approximately 98.3% of the votes cast (which excludes broker non-votes) were in approval of our executive compensation program. The Compensation Committee did not implement any additional changes to our executive compensation as a result of the say-on-pay advisory vote. The Compensation Committee recognizes that effective practices evolve, and the Compensation Committee will continue to consider changes as needed to keep our executive compensation program competitive and tightly linked to performance.

Named Executive Officers

- Thomas A. Broughton III, President and Chief Executive Officer
- Rodney E. Rushing, Executive Vice President and Chief Operating Officer
- William M. Foshee, our former Executive Vice President and Chief Financial Officer
- Henry F. Abbott, Senior Vice President and Chief Credit Officer
- Kirk Pressley, Executive Vice President of Strategic Planning of ServisFirst Bank

On November 1, 2023, Mr. Foshee notified the Board he would retire from the position of Chief Financial Officer effective upon the filing of our Annual Report on Form 10-K in February of 2024. On November 1, 2023, the Board appointed Kirk Pressley to succeed Mr. Foshee as Chief Financial Officer following Mr. Foshee's retirement, and Mr. Pressley assumed that role on March 1, 2024.

Each of our named executive officers also held the same position with the Bank during fiscal 2023. In accordance with Rule 3b-7 under the Exchange Act, our Board and management considered whether any of the executive officers of the Bank should be included as a named executive officer. With the exception of Mr. Pressley during 2023, the Bank's executive officers do not serve in policy making roles. With the exception of Mr. Pressley during 2023, all of our policy making functions are handled by officers of ServisFirst. Therefore, with the exception of Mr. Pressley, we have not included any of our Bank executives as named executive officers.

All of our executive officers are employees of the Bank for payroll and tax purposes. Because both the Compensation Committee and the Bank compensation committee consist of the same persons, as do both Boards of Directors, references herein to "our" or "the" Compensation Committee will be deemed to refer to our Compensation Committee and/or the Bank's compensation committee, as applicable.

2023 Business Results

- Net income available to common stockholders was \$206.8 million for 2023, a 17.8% decrease from net income of \$251.4 million in 2022.
- Diluted earnings per share were \$3.79 for 2023, a 17.8% decrease over 2022.
- Ending deposits of \$13.27 billion increased \$1.73 billion, or 15.0%, from 2022.
- Net interest income of \$410.9 million in 2023 decreased 12.7% from 2022.
- Net interest margin of 2.81% in 2023 decreased 51 basis points from 3.32% in 2022.

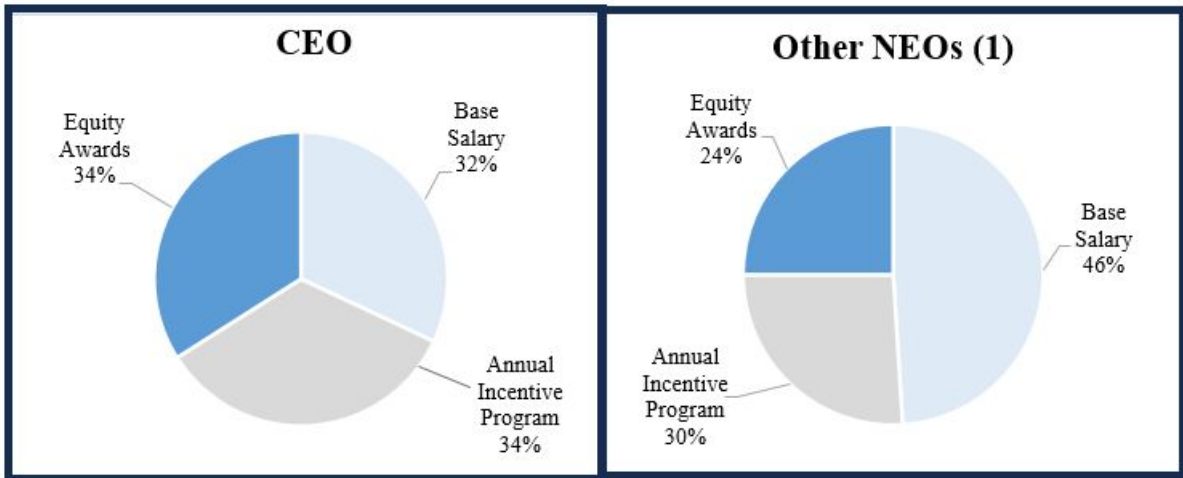

2023 Compensation Objectives

During 2023, our Compensation Committee continued to use Aon as an independent compensation consultant to conduct a compensation review for our named executive officers. This review follows our prior engagements of Aon to conduct comprehensive reviews in 2020 and 2022. The objectives for our compensation program, along with the measures utilized to achieve such objectives, are set forth in the table below.

Compensation Program Objective	Applicable Compensation Measures
Mix of pay elements reflects current market practice	<ul style="list-style-type: none"> • Annual time based and performance-based equity grants • Performance-based annual incentive plan for short-term compensation
Increase executive pay levels to be more in line with market peer median, in order to attract and retain key talent	<ul style="list-style-type: none"> • Increased base salaries of named executive officers • Awarded time-based restricted stock awards • Annual incentive plan for short-term compensation

Role of Compensation Committee

The Compensation Committee is responsible for the design, implementation and administration of the compensation programs for our executive officers and directors. The Compensation Committee completed the following actions relative to 2023 executive compensation:

- Reviewed and approved base salary increases based on materials provided by its compensation consultant.

- Reviewed and approved the 2023 compensation peer group.
- Reviewed and approved the adoption of 2023 performance objectives under the annual incentive plan.
- Reviewed and approved 2023 equity grants and performance criteria for performance shares, including identification of 2023 performance share peer group.
- Reviewed contractual arrangements for named executive officers.
- Reviewed the Company's compensation philosophy.
- Determined annual awards for named executive officers for 2023 performance and approved the payment of such awards in 2024.

No executive officers of the Company make any recommendations to the Compensation Committee or participate in any way regarding the compensation of other executive officers, other than our President and Chief Executive Officer, Mr. Broughton. The Compensation Committee consults with Mr. Broughton to gain a better insight into the performance of the executive team as a basis for the Compensation Committee's determinations regarding executive compensation. While the Compensation Committee consults with Mr. Broughton, the Compensation Committee makes its decisions independently. Mr. Broughton does not participate in discussions of his compensation.

Role of Compensation Consultant

As permitted by the Compensation Committee charter, the Compensation Committee periodically engages an independent outside compensation consultant to advise the Compensation Committee on executive compensation matters. The Compensation Committee continued to use Aon to provide executive compensation consulting services in 2023. Pursuant to the terms of its retention, Aon reported directly to the Compensation Committee, which retains sole authority to select, retain, terminate, and approve the fees and other retention terms of its relationship with Aon.

During 2023, Aon assisted the Compensation Committee with the following:

- a review of named executive officer compensation.
- the evaluation of its incentive programs for 2023.
- the compilation of the 2023 Peer Group.
- in determining achievement of performance relative for performance share awards vesting in 2024 based upon Company TSR over a 3-year period as compared to the 2021 peer group.
- the preparation of its compensation disclosures as required under Regulation S-K with respect to this proxy statement including this Compensation Discussion and Analysis and associated tables and disclosures included herein by reference.

The Compensation Committee evaluated Aon's analysis and recommendations alongside other factors when making compensation decisions affecting our 2023 executive compensation.

In 2023, the Compensation Committee reviewed its relationship with Aon. Considering all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Exchange Act, the Compensation Committee determined that it is not aware of any conflict of interest that has been raised by the work performed by Aon.

Elements of our Compensation Program

The following table outlines the major elements of 2023 total compensation for our executives:

Key Compensation Policies and Supplemental Information

Clawback Policy: In the event the Company is required to restate financial results, the Compensation Committee may adjust future compensation, cancel outstanding stock or performance-based awards, or seek recoupment of previous awards from Company officers.

Significant Executive Investment in Company Stock: Long-term stock ownership is deeply engrained in our culture, and it reflects our Board's strong commitment to the Company's success. For more information, see "*Corporate Governance—Governance Practices—Stock Ownership of Board and Executives.*"

Restrictions on Hedging or Pledging Company Stock: Executive officers and directors of the Company are not permitted to use options, contracts or other arrangements to hedge their holdings of Company stock. They also are prohibited from pledging Company stock as security for loans without approval from our Insider Trading Compliance Officer. Historically, our Insider Trading Compliance Officer has approved limited pledging arrangements in order to allow our executive officers to retain their Company stock in light of our stock's strong market performance since our initial public offering in 2014.

Peer Group Benchmarking

For 2023 compensation determinations, the Compensation Committee (with assistance from its independent compensation consultant Aon), selected a benchmark group of publicly-traded financial institutions to use in assessing the compensation of our executive officers and directors. The peer group data is used by our Compensation Committee as information about pay levels and practices of similarly-sized financial institutions in the areas we compete for key talent. This information guides our Compensation Committee in providing a competitive level of total compensation to our executive officers while also maintaining "common sense" flexibility where necessary.

Our Compensation Committee utilized the following criteria to select a peer group for use in 2023 compensation, while also giving consideration to whether the selected peers had business models compatible with the Company's business model:

- Total Assets between \$7.3 - \$30 billion
- Primarily located in or near states where the Bank operates
- Generally located within metropolitan areas
- Commercial lending focus
- Individual consideration given for business model compatibility

Our Compensation Committee also utilized a proprietary database from Aon when making compensation determinations for our Chief Credit Officer, Mr. Abbott. The 2023 benchmark group of publicly-traded financial institutions used to set 2023 compensation (the "2023 Peer Group") included the following companies:

Company Name	State
Bank OZK	AR
Ameris Bancorp	GA
Atlantic Union Bkshs Corp.	VA
Independent Bk Group Inc.	TX
Trustmark Corp.	MS
WesBanco, Inc.	WV
First Financial Bancorp.	OH
TowneBank	VA
International Bancshares Corp.	TX
WSFS Financial Corp.	DE
Provident Financial Services	NJ
Sandy Spring Bancorp Inc.	MD
First Busey Corp.	IL
Enterprise Financial Services	MO
First Financial Bankshares	TX
Eagle Bancorp Inc	MD
Veritex Holdings Inc.	TX
First Foundation Inc.	TX
ConnectOne Bancorp Inc.	NJ
Amerant Bancorp Inc.	FL

The 2023 Peer Group added the following company: First Foundation Inc. The 2023 Peer Group does not include the following company previously included in the 2022 Peer Group: Lakeland Bancorp.

When determining compensation for our executive officers for 2023, our Compensation Committee considered the median range of total compensation and components of compensation for the comparable roles within the 2023 Peer Group companies. As discussed above, our Compensation Committee did not seek to set compensation at specific target levels as compared to the 2023 Peer Group. Instead, our Compensation Committee used the information provided by the 2023 Peer Group to assess compensation levels and to provide a competitive level of total compensation for our executives.

Annual Base Salary

Our Compensation Committee endeavors to establish base salary levels for executives that are consistent and competitive with those provided for similarly situated executives of other similar financial institutions, taking into account each executive's areas and level of responsibility.

Each of our named executive officers received an increase in their base salaries for 2023, effective as of their work anniversary date. The 2023 base salary increases are intended to continue the process of aligning our named executive officer salaries with those of our peers, but we note that the increases were not sufficient to bring any of these salary figures to the median of the 2023 Peer Group salary range.

Named Executive Officer	2022	2023	% Change
	Annual Base Salary	Annual Base Salary	
Thomas A. Broughton III, Principal Executive Officer ("PEO")	\$ 700,000	\$ 721,000	3.0%

Annual Incentive Compensation

In 2021, our Board and Compensation Committee adopted an annual incentive plan administered by the Compensation Committee. The adoption of a performance-based annual incentive plan accomplished two goals: (1) tied short-term compensation for our named executive officers to specific Company performance metrics; and (2) provided a mechanism for delivery of additional cash compensation to our named executive officers in a manner that is recognized as a best practice in the market. The annual incentive plan provides a framework for annual or short-term cash incentive award opportunities for our executive officers and key employees. Prior to or shortly after the beginning of each performance period, our Compensation Committee establishes the specific performance goals and designates each participant's target award under the plan.

For 2023, each of our named executive officers other than Mr. Pressley was named as a participant in the annual incentive plan, with target awards approved by the Compensation Committee as follows:

Named Executive Officer	Target Award (as a % of base salary)	Target Award (\$)
Thomas A. Broughton III, Principal Executive Officer (“PEO”)	105%	\$ 757,050
Rodney E. Rushing	75%	318,750
William M. Foshee, Principal Financial Officer (“PFO”)	50%	180,500
Henry F. Abbott	50%	119,500
Kirk Pressley	--*	--*

* Mr. Pressley joined ServisFirst in 2023 and did not participate in the Annual Incentive Plan.

Performance Objectives

Our Compensation Committee utilized two performance objectives for the 2023 annual incentive plan: deposit growth and earnings per share. Deposit growth is an important factor for our success, particularly in the current environment of increased deposit competition, so thirty percent (30%) of the total performance objective was weighted to deposit growth. Our Compensation Committee allocated seventy percent (70%) of the annual incentive to earnings per share in order to incentivize our named executive officers to work towards results that directly benefit our stockholders in the near term. A credit quality modifier consisting of the ratio of nonperforming assets to total assets was utilized because credit quality is an important component of our success and financial performance.

The assigned weight for each performance objective for our 2023 annual incentive plan, and the threshold, target and maximum performance level for each objective are set forth in the table below, along with our 2023 actual performance:

Performance Objective	Overall Weight	2023 Performance Levels			2023 Actual
		50% Threshold	100% Target	150% Maximum	
Deposit Growth	30%	8%	10%	12%	15%
Earnings per Share	70%	\$ 4.97	\$ 5.07	\$ 5.16	\$ 3.79

The Compensation Committee replaced loan growth, which was a performance objective during 2022, with deposit growth. The Compensation Committee believes that at the time of their establishment, the goals represented strong levels of achievable performance based on the Company’s business outlook, factors impacting the banking industry, estimated general economic conditions, and the Company’s 2023 budget.

Credit Quality Modifier and Discretionary Adjustments

The potential reduction based upon the ratio of nonperforming assets to total assets are set forth in the table below, along with the ratio actually achieved for 2023:

Credit Quality Modifier	No Adjustment	50% Reduction	75% Reduction	100% Reduction	2023 Actual
NPAs/Total Assets	<1.50%	1.50%	1.75%	2.00%	0.18%

Our Compensation Committee retains authority to make discretionary adjustments to awards under our annual incentive plan where performance or the particular business environment warrant.

Annual Incentive Plan Award Opportunities

The Compensation Committee established the annual incentive plan award opportunities for our named executive officers as a percentage of base salary. Target award opportunities were designed to provide for total cash compensation that rewards executives for successful achievement of deposit growth and earnings per share while being competitive with total cash compensation among our peers. The potential annual incentive award payments, expressed as a percentage of base salary, were as follows:

Named Executive Officer	Threshold as a % of Base Salary (%)	Threshold Incentive Payment (\$)	Target as a % of Base Salary (%)	Target Incentive Payment (\$)	Maximum as a % of Base Salary (%)	Maximum Incentive Payment (\$)
Thomas A. Broughton	52.5%	\$ 378,525	105%	\$ 757,050	157.5%	\$ 1,135,575
Rodney E. Rushing	37.5	159,375	75	318,750	112.5	478,125
William M. Foshee	25	90,250	50	180,500	75	270,750
Henry F. Abbott	25	59,750	50	119,500	75	179,250
Kirk Pressley*	--	--	--	--	--	--

* Mr. Pressley joined ServisFirst in 2023 and did not participate in the Annual Incentive Plan.

Threshold, target and maximum incentive payments in the chart above are based on base salaries effective at year-end 2023, and do not take into effect the Credit Quality Modifier described above.

Annual Incentive Plan Award Payouts

The payout level under our annual incentive plan in 2023, based on actual results of the two performance objectives, was 45% of the target payout level.

The Company enjoyed successful deposit growth for the year ended December 31, 2022, achieving nearly 125% of the deposit growth required to attain the maximum performance level. Accordingly, that component of our 2023 annual incentive plan was earned at the maximum level. The Company also maintained exceptional credit quality with a nonperforming assets to total assets ratio of 0.18%, significantly below the first adjustment threshold of 1.50%.

The 2023 year presented significant challenges for the banking industry that impacted earnings per share. The increase in market interest rates created increased deposit competition while also generally reducing net interest income, net interest spread and net interest margins. Additionally, bank failures in the spring of 2023 caused the Federal Deposit Insurance Corporation to make special assessments on financial institutions, including ours, which impacted earnings per share. The Company also had several non-recurring items that impacted earnings per share, including an adjustment to a privilege tax accrual and contract termination costs. As a result of these events, the actual earnings per share of \$3.79 fell below the threshold of \$4.97.

The Compensation Committee and Board credit our named executive officers for our results despite the challenges that 2023 presented. As a result of our results and other achievements during 2023, our Board elected to exercise its discretion to award each of our named executive officers a discretionary bonus equal to the threshold amount for the earnings per share component (with a corresponding weighting of seventy percent (70%)), equaling \$264,968 for Mr. Broughton, \$111,563 for Mr. Rushing, \$63,175 for Mr. Foshee and \$41,825 for Mr. Abbott. Mr. Pressley was given a discretionary bonus of \$109,000 for his performance during the year ended December 31, 2023. The results, achievements and factors the Compensation Committee and Board considered in granting the discretionary bonuses include our named executive officers' having navigated the challenges in the banking industry during 2023, achieving high deposit growth in a time of increased deposit competition with peers, maintaining loan balance in an increased interest rate environment, and the impact of unique items on earnings per share for the performance period. The total award amounts for 2023 were 48% lower than the total award amounts for 2022 for Mr. Broughton, and range between 27% and 45% lower for our other named executive officers when compared to 2022. The actual awards (including the discretionary bonus), award as a percentage of the target award, and award as percentage of base salary are shown in the table below.

Named Executive Officer	2023 Award (\$)	Award as % of Target ⁽¹⁾	Award as % of Base Salary ⁽¹⁾
Thomas A. Broughton	\$ 605,640	80.0%	84.0%
Rodney E. Rushing	255,000	80.0	60.0
William M. Foshee	144,400	80.0	40.0
Henry F. Abbott	95,600	80.0	40.0
Kirk Pressley*	109,000	--	--

(1) Percentages are rounded to the nearest tenth of a percent.

* Mr. Pressley joined ServisFirst in 2023 and did not participate in the Annual Incentive Plan, but was given a discretionary bonus of \$109,000 for performance during the year ended December 31, 2023.

Equity-Based Incentive Compensation

Our Compensation Committee made annual equity grants to our named executive officers in order to be competitive with market best practices, to align executives with stockholders and to address potential retention concerns. With the exception of Mr. Abbott and for 2023, Mr. Pressley, annual equity-based incentive awards are composed 50% of time-based restricted stock grants and 50% of performance-based performance shares. Mr. Abbott's equity award consisted of a single time-based restricted stock grant and was last granted in January 2022. Mr. Pressley received a grant of 10,000 shares of time-based restricted stock upon joining the Company in June 2023.

Time-based restricted stock awards are intended to aid in retention of our named executive officers, while performance share awards reward our named executive officers for delivering total shareholder returns in the highest percentile when compared against our peer companies.

On February 21, 2023 (and June 30, 2023 for Mr. Pressley), the Board approved the Compensation Committee's grants of time-based restricted stock and performance shares for 2023.

Named Executive Officer	Time-based Restricted Stock (#)	Fair Value of 2023 Restricted Stock Award (\$)	Target Performance Shares (#)	Fair Value of 2023 Performance Shares (\$)	Total Target Award Value (\$)
Thomas A. Broughton III, Principal Executive Officer ("PEO")	5,161	\$ 378,525	5,385	\$ 378,525	\$ 757,050
Rodney E. Rushing	1,363	100,000	1,423	100,000	200,000
William M. Foshee, Principal Financial Officer ("PFO")	1,230	90,250	1,284	90,250	180,500
Henry F. Abbott	---	---	---	---	---
Kirk Pressley	10,000	448,800	---	---	448,800

Except for Mr. Pressley, the time-based restricted stock shown above vests one-third per year on the first three anniversaries of the grant date, provided that the executive remains employed through the applicable vesting date. For Mr. Pressley, the time-based restricted stock vests one-fifth per year on the first five anniversaries of the grant date, provided that he remains employed through the applicable vesting date. The performance shares represent the opportunity to earn shares of our common stock after a three-year period, subject to the executive's continued employment through the end of the performance period.

The number of performance shares earned is determined by reference to the Company's TSR relative to the 2023 Peer Group over the performance period commencing on January 1, 2023 and ending on December 31, 2025 (the "Performance Period").

Depending on our TSR percent rank relative to the 2023 Peer Group, our named executive officers may earn between 0% and 150% of the Target number of performance shares set forth in the above table corresponding to the Company's attainment of the TSR percent rank relative to the 2023 Peer Group as set forth in the table below on the last day of the Performance Period. The named executive officers will receive shares of our common stock with respect to the number of earned performance shares.

Company Percent Rank Relative to 2022 Peer

Performance Level	Group	Number of Performance Shares Earned
Threshold	35th Percentile	50% of Target
Target	50th Percentile	100% of Target
Maximum	75th Percentile	150% of Target

The percentage of performance shares earned if our TSR Percent Rank Relative to the 2023 Peer Group is between Threshold and Target or between Target and Maximum shall be determined by linear interpolation. Notwithstanding the foregoing, if our TSR at the end of the Performance Period is negative, then the maximum number of performance shares that can be earned is the Target number of performance shares, regardless of how our TSR compares to the 2023 Peer Group at the end of the Performance Period. This mechanism is intended to prevent our named executive officers from receiving more than the Target number of performance shares if our TSR at the end of the Performance Period is negative, even if such TSR exceeds 50% of our 2023 Peer Group.

2022 Performance Share Award Performance

Our 2022 performance share awards to our named executive officers remain outstanding. The number of performance shares earned will be determined by reference to the Company's TSR relative to the 2022 Peer Group over the performance period commencing on January 1, 2022 and ending on December 31, 2024 (the "2022 Performance Period").

Depending on our TSR percent rank relative to the 2022 Peer Group, our named executive officers may earn between 0% and 150% of the Target number of performance shares set forth in the above table corresponding to the Company's attainment of the TSR percent rank relative to the 2022 Peer Group on the last day of the 2022 Performance Period. As of December 31, 2023, the Company's TSR percent rank relative to the 2022 Peer Group equaled the 35th percentile, which, if maintained as of the end of the 2022 Performance Period, would entitle our named executive officers to 50% of the Target 2022 performance shares awarded.

Our Stock Incentive Plan allows for the accelerated vesting of equity awards in the event of a change in control. In general, under this Plan a "change in control" means a reorganization, merger or consolidation of the Company or the Bank with or into another entity where our stockholders before the transaction own less than 50% of our combined voting power after the transaction, a sale of all or substantially all of our assets or a purchase of more than 50% of the combined voting power of our outstanding capital stock in a single transaction or a series of related transactions by one "person" (as that term is used in Section 13(d) of the Exchange Act) or more than one person acting in concert.

The 2022 benchmark peer group used to determine 2022 performance share awards and assess the Company's TSR performance is the same 2022 Peer Group previously identified.

2021 Performance Share Award Performance

In January 2024, our Compensation Committee reviewed the achievement levels of the 2021 performance share awards with the assistance of our compensation consultant. The number of performance shares earned were determined by reference to the Company's TSR relative to the 2021 peer group over the performance period commencing on January 1, 2021 and ending on December 31, 2023 (the "2021 Performance Period"). Depending on our TSR percent rank relative to the 2021 Peer Group, our named executive officers could have earned between 0% and 150% of the Target number of performance shares awarded to them. The Compensation Committee, with the assistance of our compensation consultant, determined that the 2021 performance shares were awarded at the maximum level based upon a relative TSR rank of one, and awarded Mr. Broughton 12,399 performance shares, Mr. Rushing 3,280 shares and Mr. Foshee 2,974 performance shares.

Severance and Change in Control

As of February 25, 2021, we entered into Change in Control Agreements with each of our named executive officers based upon our determined that financial institutions in the markets in which we operate routinely enter into change in control agreements with their executives. Each of these agreements provides the officer with certain employment protections for a two-year period following a change in control of the Company (the “Protected Period”). The Change in Control Agreements are “double-trigger” agreements, meaning that an executive’s employment must be terminated during the Protected Period in order to receive benefits under the agreement. If the officer’s employment is terminated during the Protected Period without Cause or by the officer with Good Reason (as those terms are defined in the Change in Control Agreements), the officer would be entitled to receive, among other benefits: (1) a cash severance payment equal to a specific multiple (2.99x for Mr. Broughton, 2x for each of Messrs. Foshee and Rushing, and 1.5x for Mr. Abbott) of the sum of (a) the officer’s base salary at the time of termination, and (b) the average cash bonus paid to the officer over the prior three years; and (2) a pro-rata bonus for the fiscal year in which the termination occurs. Each of the named executive officers would also be entitled to receive a lump sum cash payment equal to 18 months’ worth of COBRA premiums, based on the officer’s then-current coverage elections. In addition, certain pre-change in control terminations will be deemed to constitute change in control terminations if such terminations occur at the request or direction of a person who has entered into an agreement which would constitute a change in control upon consummation, or in connection with or anticipation of a change in control transaction with such person, subject to certain conditions. See “Executive Compensation — Potential Payments Upon Termination or Change in Control” for more information.

As a condition to receipt of any of the payments or benefits described herein, each named executive officer would be required to execute a standard separation and release agreement containing a release of all claims, if any, against the Company within a 45-day period following the officer’s termination date. Each named executive officer would also be subject to certain confidentiality, non-competition and non-solicitation obligations and receipt of payments and benefits would be subject to the officer’s continued compliance with such obligations. Our officers agree to maintain the confidentiality of our confidential information. For a period of six months following such officer’s termination date, each of our officers has agreed to not engage in similar activities within a sixty (60) mile radius of any Company office, and has further agreed to not solicit any Company employees or customers for a period of one year following such officer’s termination date.

Our officers would not be entitled to any tax gross-ups for excise taxes that may be triggered under Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended. However, our officers are entitled to receive the “best net” treatment, which means that if the total of all change in control payments due such officer exceeds the threshold that would trigger the imposition of excise taxes, the officer will either (1) receive all payments and benefits due and the officer will be responsible for paying all such taxes or (2) have such payments and benefits reduced such that imposition of the excise tax is no longer triggered, depending on which method provides the officer with the better after-tax result.

Each Change in Control Agreement has an initial term of five (5) years from execution through December 31, 2025, but is subject to additional five year “evergreen” renewal periods unless we provide written notice to the officer by June 30 of the final year in the then current term.

The Company does not maintain any defined contribution or other plans that provide for the deferral of compensation on a basis that is not tax-qualified.

Chief Executive Officer Pay Ratio

Rules adopted by the SEC following passage of the Dodd-Frank Wall Street Reform and Consumer Protection Act require us to provide a reasonable estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median annual total compensation of our employees. We last identified our median employee in 2022 by comparing all salary, matching contributions to our 401(k) plan, annual incentive compensation, bonus compensation, long-term incentive awards vested in 2022 and our payment of insurance premiums and provision of other perquisites, as reported to the Internal Revenue Service on Form W-2 for 2022 for all of our employees (excluding our Chief Executive Officer) as of December 31, 2022. As further detailed in the paragraphs and Summary Compensation Table below, Mr. Broughton's total annual compensation in fiscal 2023 was \$2,139,984. The Company has determined that the annual compensation for its median employee for the same fiscal year was approximately \$88,974. Accordingly, we believe that the ratio of the annual total compensation of Mr. Broughton, our Chief Executive Officer, to the median of the annual total compensation of all our employees in 2023 was 24.1 to 1.

Pay Versus Performance Disclosure

These amounts reflect the Summary Compensation Table Total with certain adjustments as described in footnote 3 below.

(3) Compensation Actually Paid reflects the exclusions and inclusions of certain amounts for the PEO and the Non-PEO NEOs as set forth below. Equity values are calculated in accordance with FASB ASC Topic 718. Amounts in the Exclusion of Stock Awards and Option Awards column are the totals from the Stock Awards and Option Awards columns set forth in the applicable Summary Compensation Table.

(4) The Peer Group TSR set forth in this table utilizes the KBW Nasdaq Regional Bank Index (KRX), which we also utilize in the stock performance graph required by Item 201(e) of Regulation S-K included in our Annual Report for the year ended December 31, 2023. The comparison assumes \$100 was invested for the period starting December 31, 2019, through the end of the listed year for the Company and in the KBW Nasdaq Regional Bank Index, respectively. Historical stock performance is not necessarily indicative of future stock performance.

(5) We determined Basic Earnings Per Share to be the most important financial performance measure used to link Company performance to Compensation Actually Paid to our PEO and Non-PEO NEOs in 2023. This performance measure may not have been the most important financial performance measure for prior years, and we may determine a different financial performance measure to be the most important financial performance measure in future years.

Effect of Compensation Policies and Practices on Risk Management and Risk-Taking Incentives

There is inherent risk in the business of banking. However, we do not believe that any of our compensation policies and practices provide incentives to our employees to take risks that are reasonably likely to have a material adverse effect on us. The Compensation Committee reviews incentive compensation arrangements to determine whether they encourage excessive risk taking, and reviews and discusses at least annually the relationship between risk management policies and practices that could mitigate such risk. The Compensation Committee also oversees the administration of the Company’s Clawback Policy.

Our annual incentive plan includes a credit quality modifier that operates to reduce annual incentive plan payments by as much as 100% of the award amount if the Bank’s non-performing assets to total assets ratio exceeds certain thresholds. We believe that our compensation policies and practices are consistent with those of similar bank holding companies and their banking subsidiaries and are intended to encourage and reward performance that is consistent with sound practice in the industry.

Potential Payments Upon Termination or Change in Control

Change in Control Agreements

On February 25, 2021, the Compensation Committee approved the implementation of change in control protections for certain of our officers, including each of our four NEOs. Each of the NEOs entered into a Change in Control Agreement effective as of February 25, 2021. For Mr. Foshee, the Change in Control Agreement supersedes his prior change in control agreement.

Each Change in Control Agreement has an initial term of five (5) years (from the execution date through December 31, 2025) but is subject to additional five-year “evergreen” renewal periods unless we provide written notice to the officer by June 30 of the last year in the current term that we do not wish to extend the Change in Control Agreement beyond that term. The Change in Control Agreement provides each officer with certain employment protections for a two-year period following a change in control (the “Protected Period”). Notwithstanding the foregoing, certain pre-change in control terminations will also be treated as change in control terminations as a result of agreements or negotiations regarding a change in control.

The term “change in control” is defined in these Change in Control Agreements as any of the following events:

- The consummation of a merger, consolidation or other corporate reorganization (other than a holding Company reorganization) of either us or the Bank in which either entity does not survive, or if such entity survives, the equityholders before such transaction do not own more than 40% of, respectively, (i) the equity securities of the surviving entity, and (ii) the combined voting power of any other outstanding securities entitled to vote on the election of directors of the surviving entity;
- the acquisition by any individual, entity or group of beneficial ownership of 50% or more of either (i) the then-outstanding voting securities of either us or the Bank or (ii) the combined voting power of the then-outstanding voting securities of us or the Bank entitled to vote generally in the election of directors; provided, however, that the following shall not constitute a change in control: (i) any acquisition of securities directly from us (other than a transaction that qualifies as a change in control under another prong of this definition), (ii) any acquisition by us or any of our affiliates, or by any employee benefit plan (or related trust) of us or our affiliates, or (iii) any acquisition by any corporation, entity, or group if, following such acquisition, more than 50% of the then-outstanding voting rights of such corporation, entity or group are beneficially owned by all or substantially all of the persons who were the owners of our common stock immediately prior to such acquisition;
- individuals who, as of the effective date of the Change in Control Agreement, constituted our incumbent Board cease for any reason to constitute at least a majority of our Board of Directors, provided that any individual becoming a director subsequent to such date whose appointment or election, or nomination for election by our stockholders, was approved or endorsed by a vote of at least a majority of the directors then comprising the incumbent Board, shall be considered as though such individual were a member of the incumbent Board, but excluding, for this purpose, any individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of our Directors (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act); or
- approval by our stockholders of: (i) a complete liquidation or dissolution of the Bank, (ii) a complete liquidation or dissolution of the Company, or (iii) the sale or other disposition of all or substantially all our assets, other than to a corporation, with respect to which immediately following such sale or other disposition, more than 50% of, respectively, (1) the then-outstanding equity securities of such corporation and (2) the combined voting power of the then-outstanding voting securities of such corporation entitled to vote generally in the election of directors, is then beneficially owned by all or substantially all of the individuals and entities who were the beneficial owners, respectively, of our outstanding common stock and our outstanding voting securities immediately prior to such sale or other disposition, in substantially the same proportions as their ownership, immediately prior to such sale or disposition, of our outstanding common stock and our outstanding securities, as the case may be.

If an NEO’s employment is terminated by us during the Protected Period without “cause” or by the NEO with “good reason” (as those terms are defined in the Change in Control Agreement), the NEO will be entitled to receive certain payments and benefits. Specifically, the NEO would be entitled to receive, among other benefits: (1) a cash severance payment equal to a specific multiple (2.99x for Mr. Broughton, 2x for each of Messrs. Rushing and Foshee, and 1.5x for Mr. Abbott) of the sum of (a) the NEO’s base salary in effect at the time of termination and (b) the average bonus paid to the NEO over the prior three years and (2) a pro-rata cash bonus for the fiscal year in which the termination occurs. Each of Messrs. Broughton, Foshee and Rushing would also be eligible to receive a lump sum cash payment equal to 18 months’ worth of COBRA premiums, based on the NEO’s then-current coverage elections.

As a condition to receipt of any of the payments or benefits described herein, each named executive officer would be required to execute a standard separation and release agreement containing a release of all claims, if any, against the Company within a 45-day period following the officer’s termination date. Each named executive officer would also be subject to certain confidentiality, non-competition and non-solicitation obligations and receipt of payments and benefits would be subject to the officer’s continued compliance with such obligations. Our officers agree to maintain the confidentiality of our confidential information. For a period of six months following such officer’s termination date, each of our officers has agreed to not engage in similar activities within a sixty (60) mile radius of any Company office, and has further agreed to not solicit any Company employees or customers for a period of one year following such officer’s termination date.

Under the Change in Control Agreements, the NEO would not be entitled to any tax gross-ups for excise taxes that may be triggered under Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended. However, the NEO would be entitled to receive the “best net” treatment, which means that if the total of all change in control payments due him exceeds the threshold that would trigger the imposition of excise taxes, the NEO will either (1) receive all payments and benefits due him and be responsible for paying all such taxes or (2) have his payments and benefits reduced such that imposition of the excise taxes is no longer triggered, depending on which method provides him with the better after-tax result.

In addition to the cash payments set forth in the Change in Control Agreements, any stock options and restricted stock awards granted to the specified NEO will immediately vest upon a change in control. Performance share awards shall vest assuming target performance for the performance period, but shall be prorated based on the number of days the executive worked during the Performance Period through the change in control to the total number of days in the performance period.

Termination Other than Due to Change in Control

Pursuant to the terms of our 2009 Amended and Restated stock Incentive Plan, outstanding equity awards are treated as follows in the event of a termination other than due to a change in control:

- **Restricted Stock:** In the event of termination due to death or Disability, the recipient shall become fully vested in the restricted stock. Termination for any other reason results in forfeiture of unvested restricted stock.
- **Performance Shares:** In the event of termination due to death, Disability or Retirement, the recipient shall be entitled to a prorated number of performance shares earned, determined at the end of the Performance Period, based on the ratio of the number of days of service during Performance Period. In the event of termination for any other reason prior to the end of the Performance Period, all performance shares are forfeited in their entirety.

Endorsement Split-Dollar Agreements

On November 9, 2020, the Bank entered into endorsement split dollar agreements with each of Messrs. Broughton, Foshee and Rushing. The agreements provide the executives with death benefits funded through Bank-owned life insurance policies. The Bank solely owns all of the rights, title, and interest in the life insurance policy and will control all rights of ownership with respect to the policy including, without limitation, the right to withdraw the cash value of such policy. The agreements provide Mr. Broughton with a \$3,000,000 death benefit endorsement, and each of Messrs. Foshee and Rushing with a \$1,500,000 death benefit endorsement. The amounts of the Bank-owned life insurance policies are sufficient to fund both the death benefit endorsement to the executives' beneficiaries and a complete return of all premiums paid on the policies to the Bank. The executives' beneficiaries designated in accordance with the terms of the agreements are entitled to the endorsed death benefit amount from the proceeds of the insurance policies, provided each such executive remains employed by the Bank through the earlier of (1) such executive's date of death or (2) the second anniversary of the effective date of the agreements; provided, however, if such executive terminates employment, other than due to death, during the period between the first and second anniversaries of the effective date, such executive's beneficiaries shall be entitled to fifty percent (50%) of the endorsed death benefit amount.

The agreements will terminate immediately upon the first to occur of the following: (1) payment of the endorsed death benefit in accordance with the terms of the agreements; or (2) termination of an executive's employment for any reason, other than death, prior to the first anniversary of the effective date.

Estimated Payments upon a Termination or Change in Control

The tables below contain the total payments one would receive under each termination scenario if the NEOs separated on December 31, 2023. For all termination scenarios, the figures for long-term, equity-based incentive compensation awards are as of December 30, 2023, at the closing stock price of \$66.63 on December 29, 2023. Terminations following a change in control are assumed to be within the Protected Period and either without “cause” if the Company terminated the NEO or with “good reason” if the NEO terminated employment.

Termination Scenarios

Executive	Voluntary (\$)(1)(4)	With Cause	Death (\$)(2)(4)	Disability (\$)(3)(4)
Thomas A. Broughton III	\$ 1,042,138	-	\$ 4,762,452	\$ 1,762,452
Rodney E. Rushing	276,403	-	1,968,298	468,298
William M. Foshee	249,640	-	1,921,568	421,568
Henry F. Abbott	-	-	33,315	33,315
Kirk Pressley	-	-	666,300	666,300

- (1) Amounts in this column include the amount of performance shares each NEO is entitled to retain for meeting all retirement eligibility criteria under outstanding award agreements. Restricted stock is not included in these amounts because it does not vest upon retirement or other voluntary departures. Mr. Abbot and Mr. Pressley only held restricted stock as of December 31, 2023.
- (2) Amounts in this column include benefits paid under the endorsement split-dollar agreements for Messrs. Broughton, Rushing, and Foshee upon death and the total amount of long-term, equity-based compensation (including restricted stock and performance shares) each NEO is entitled either to retain or to have the vesting accelerated due to death.
- (3) Amounts in this column include the total amount of long-term, equity-based compensation (including restricted stock and performance shares) each NEO is entitled either to retain or to have the vesting accelerated due to disability.
- (4) For purposes of calculating the value of performance share awards, (i) the estimated performance of the 2021 performance shares are shown at the maximum amount, (ii) the 2022 performance share awards are shown at the threshold amount, and (iii) the 2023 awards are shown at the threshold amount, all based on relative performance at December 31, 2023. These are further adjusted based on the ratio of the number of days the participant provided service during the performance period to the total number of days in the performance period.

Termination Following a Change in Control Without Cause or for Good Reason

Executive	Cash Severance(1) (\$)	Unvested Equity(2) (\$)	Other Benefits(3) (\$)	Total(4) (\$)
Thomas A. Broughton III	\$ 6,021,641	\$ 1,583,573	\$ 28,236	\$ 7,633,461
Rodney E. Rushing	1,673,834	421,723	28,236	2,123,794
William M. Foshee	1,348,400	378,503	28,236	1,755,139
Henry F. Abbott	655,975	33,315	31,779	721,069
Kirk Pressley	1,192,000	666,300	31,779	1,890,079

- (1) Includes (1) a cash severance payment equal to a specific multiple (2.99x for Mr. Broughton, 2x for Messrs. Rushing, Foshee and Pressley, and 1.5x for Mr. Abbott) of the sum of (a) base salary at the time of termination (base salary in effect during year ended December 31, 2023) and (b) average cash bonus paid over the prior three years (years ended December 31, 2020, 2021 and 2022); and (2) a pro-rata cash bonus for the fiscal year in which the termination occurs based on actual performance (for these purposes the actual bonus for the year ended December 31, 2023 is used). For Mr. Pressley, the average bonus over the prior three years is calculated as his base salary in effect during the year ended December 31, 2023 multiplied by the target opportunity of 50%.
- (2) Restricted stock vests in full due to change in control. Performance shares are shown at target performance and adjusted based on the ratio of the number of days the participant provided service during the performance period to the total number of days in the performance period.
- (3) Lump sum cash payment equal to 18-months of COBRA premiums, based on the officer’s then-current coverage elections.
- (4) Subject to adjustment for “best net” treatment, which means that if the total of all change in control payments due an NEO exceeds the threshold that would trigger the imposition of excise taxes, the NEO will either (1) receive all payments and benefits due him and be responsible for paying all such taxes or (2) have his payments and benefits reduced such that imposition of the excise taxes is no longer triggered, depending on which method provides him with the better after-tax result. Each column rounded to nearest full dollar amount.

Questions and Answers About the 2024 Annual Meeting and Voting

What is a proxy?

It is your legal designation of another person to vote the stock you own. The person so designated is called a proxy. If you designate someone as your proxy in a written document, that document is called a proxy or a proxy card. We have designated Thomas A. Broughton III and Kirk Pressley (the “management proxies”) as proxies for the 2024 Annual Meeting of Stockholders.

What are the purposes of the Annual Meeting?

At the Annual Meeting, stockholders will vote on: (1) the election of seven directors; (2) an advisory vote on the compensation of our named executive officers; (3) the ratification of FORVIS, LLP as our independent public accounting firm for the year ending December 31, 2024; and (4) such other business as may properly come before the Annual Meeting. Our Board of Directors is not aware of any matters that will be brought before the Annual Meeting, other than procedural matters, that are not listed above. However, if any other matters properly come before the Annual Meeting, the individuals named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

How do I receive a printed copy of proxy materials?

To request a printed copy of the proxy materials, please call 1-866-641-4276, visit www.investorvote.com/SFBS or email investorvote@computershare.com with “Proxy Materials ServisFirst Bancshares, Inc.” in the subject line. Who is entitled to vote?

Stockholders of record at the close of business on March 27, 2024, the record date for the Annual Meeting, are entitled to receive notice of the Annual Meeting and to vote shares of common stock held as of the record date at the Annual Meeting. As of the record date, 54,507,778 shares of our common stock were outstanding and entitled to vote. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon. There are no cumulative voting rights.

How do I vote?

If you hold your shares in a brokerage account in your broker’s or another nominee’s name (held in “street name”), you are a beneficial owner and you should follow the voting directions provided by your broker or nominee:

- You may complete and mail a voting instruction form to your broker or nominee.
- If your broker allows, you may submit voting instructions by telephone or the Internet.
- You may use a mobile device, scanning the QR barcode on your voter instruction form or Notice of Internet Availability of Proxy Materials and following the prompts that appear on your mobile device.
- You may cast your vote in person at the annual meeting but you must obtain a legal proxy from your broker or nominee.

If you invest in our common stock through the Company stock fund in the ServisFirst Bank 401(k) Profit Sharing Plan and Trust, you will receive instructions for submitting your voting directions from the 401(k) plan’s administrator, Charles Schwab. The 401(k) plan’s trustees will vote shares held by the 401(k) plan in accordance with the tabulation. Any shares for which the trustees do not received timely voting directions will be voted by the trustees in proportion to the shares for which directions were actually received. To allow the trustees sufficient time to process voting directions, the voting deadline for 401(k) plan participants is 5:00 p.m., Central Time, on May 17, 2024.

What if I change my mind after I vote my shares?

You can revoke or change your proxy at any time before it is voted at the 2024 Annual Meeting.

If you hold your shares in a brokerage account in your broker’s or another nominee’s name (“street name”), you may revoke or change your vote:

- Via telephone or Internet, using the voting directions provided by your broker or nominee; or
- By casting your vote in person at the Annual Meeting, but you must obtain a legal proxy from your broker or nominee. Attendance in person at the Annual Meeting will not revoke any proxy you have previously granted unless you specifically so request.

If you are a registered stockholder, you may revoke or change your vote by:

- Voting by telephone or the Internet, using the voting directions provided on the proxy card or Notice of Internet Availability of Proxy Materials that you received in the mail;
- Notifying our Secretary, Kirk Pressley, in writing;
- Sending another executed proxy card dated later than the first proxy card; or
- Voting in person at the 2024 Annual Meeting. Attendance at the Annual Meeting will not revoke any proxy you have previously granted unless you specifically so request.

If you invest in our common stock through the Company stock fund in the ServisFirst Bank 401(k) Profit Sharing Plan and Trust, you may revoke or change your vote by following the instructions provided by the 401(k) plan’s administrator, Charles Schwab. To allow the trustees sufficient time to process voting directions, the deadline for 401(k) plan participants to revoke or change their voting directions is 5:00 p.m., Central Time, on May 17, 2024.

How many shares must be present to hold the 2024 Annual Meeting?

More than one-half of the Company's outstanding common stock as of the record date must be represented at the 2024 Annual Meeting in person, or by proxy in order to hold the Annual Meeting. This is called a quorum. We will count your shares as present at the Annual Meeting if you:

- Are present and vote at the Annual Meeting;
- Have properly submitted a proxy card or a voter instruction form, or voted by telephone or the Internet on a timely basis; or
- Hold your shares through a broker or otherwise in street name, and your broker uses its discretionary authority to vote your shares on Proposal Number 4.

As of the record date, 54,507,778 shares of our common stock, \$0.001 par value per share, held by 465 stockholders of record, were issued and outstanding. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the Annual Meeting.

Why did I receive a "Notice Regarding the Availability of Proxy Materials" but no proxy materials?

We distribute our proxy materials to stockholders via the Internet under the "Notice and Access" approach permitted by the rules of the SEC. This approach conserves natural resources and reduces our distribution costs, while providing a timely and convenient method of accessing the materials and voting. On or about April 8, 2024, we mailed a "Notice Regarding the Availability of Proxy Materials" to stockholders, containing instructions on how to access the proxy materials on the Internet.

What if I share an address and a last name with other Company stockholders?

To reduce the expenses of delivering duplicate proxy materials to stockholders, we are relying upon SEC "householding" rules that permit delivery of only one set of applicable proxy materials to multiple stockholders who share an address and have the same last name, unless we receive contrary instructions from any stockholder at that address. Stockholders of record who have the same address and last name and have not previously requested electronic delivery of proxy materials will receive a single envelope containing the notices or the proxy statement and proxy card for all stockholders having that address. The notice or proxy card for each stockholder will include that stockholder's unique control number needed to vote his or her shares. This procedure reduces our printing costs and postage fees. If, in the future, you do not wish to participate in householding and prefer to receive your Notice or Proxy Statement in a separate envelope, or if your household currently receives more than one Notice or Proxy Statement and in the future, you would prefer to participate in householding, please call (205) 949-0307, or inform us in writing at: ServisFirst Bancshares, Inc., 2500 Woodcrest Place, Birmingham, Alabama 35209, Attn: Kirk Pressley, Secretary. Requests will be responded to promptly.

For those stockholders who have the same address and last name and who request to receive a printed copy of the proxy materials by mail, we will send only one copy of such materials to each address unless one or more of those stockholders notifies us, in the same manner described above, that the stockholder(s) wish to receive a printed copy for each stockholder at that address.

Beneficial stockholders can request information about householding from their banks, brokers, or other holders of record.

Who pays for this proxy solicitation?

We are making this proxy solicitation and will pay all costs in connection with the meeting, including the cost of preparing, assembling and, as applicable, mailing the Notice of the Annual Meeting, Proxy Statement, proxy card and our Annual Report to Stockholders for the year ended December 31, 2023, as well as handling and tabulating the proxies returned. In addition, proxies may be solicited by directors, officers and regular employees of the Company, without additional compensation, in person or by other electronic means. We will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of our common stock.

Who can help answer your questions?

If you have questions about the Annual Meeting, you should contact our Secretary, Kirk Pressley, 2500 Woodcrest Place, Birmingham, Alabama 35209, telephone (205) 949-0307.

Annual Report on Form 10-K

On written request, we will provide, without charge, a copy of our Annual Report on Form 10-K for the year ended December 31, 2023 (including a list briefly describing the exhibits thereto), as filed with the SEC (including any amendments filed with the SEC), to any record holder or beneficial owner of our common stock as of the close of business on March 27, 2024, the record date, or to any person who subsequently becomes such a record holder or beneficial owner. Requests should be directed to the attention of our Secretary at the address set forth above.

Stockholder Proposals

Under Exchange Act Rule 14a-8, any stockholder desiring to submit a proposal for inclusion in our proxy materials for our 2025 Annual Meeting of Stockholders must provide the Company with a written copy of that proposal by no later than December 9, 2024, which is 120 days before the first anniversary of the date on which the Company's proxy materials for the 2024 Annual Meeting were first made available to stockholders. However, if the date of our Annual Meeting in 2025 changes by more than 30 days from the date of our 2024 Annual Meeting, then the deadline would be a reasonable time before we begin distributing our proxy materials for our 2025 Annual Meeting. Matters pertaining to such proposals, including the number and length thereof, eligibility of persons entitled to have such proposals included and other aspects are governed by the Exchange Act and the rules of the SEC thereunder and other laws and regulations, to which interested stockholders should refer.

If a stockholder desires to bring other business before the 2025 Annual Meeting without including such proposal in the Company's Proxy Statement, the stockholder must notify the Company in writing on or before February 22, 2025.

Our CG&N Committee will consider nominees for election to our Board of Directors. See "*Corporate Governance—Board Committees and Their Functions—Corporate Governance and Nominations Committee*" for details to be included in any such nomination. Nominations should be submitted in a timely manner in care of our Chief Financial Officer. Generally, we will consider nominations to be timely if submitted no later than the date a stockholder must submit a proposal for inclusion in our proxy materials.
